Michigan Works Workforce Training Advisory Board  
Mid-Michigan Community College M-TEC  
Kirtland Community College M-TEC

**Counties Included:** Arenac, Clare, Iosco, Gladwin, Ogemaw,  
and Roscommon

## Regional Highlights:

This region begins immediately north of the Saginaw-Midland-Bay City metropolitan area — one of Michigan's larger urban centers. The Region 13 area is comparatively rural in terms of economic composition and community structure, with tourism being a fairly large sector.

## One-Knock

Region 13 will engage a professional facilitator to oversee a meeting of the regions ESC and local workgroups to develop a "one-knock" program for employers. Other expected positive outcomes from the event include; an updated status of the local workforce and economy, the foundation for a skills-gap analysis, a career awareness program and the development of a career website.
